## BUYING GUIDE

**93** **Vineyard 7&8 2007 7 Cabernet Sauvignon (Spring Mountain); \$75.** Lots of chocolate, oak and blackberry-infused flavor in this dry, tannic young wine. It sure is tight, almost rude in its immaturity, with an astringency that makes the palate pucker. But it's so deep and dense, so packed with intensity, you just know it will come around in the cellar. 2013–2019. *Cellar Selection.*
