

2007 Vineyard 7 & 8 Cabernet Sauvignon Estate

Wine Advocate # 186 (Dec 2009)

Rating: 94+

Drink: -

Cost: \$125

The prodigious 2007 Cabernet Sauvignon Estate looks terrific, with the most structure, minerality, and power of the two Cabernets, but beautiful blueberry and floral notes intermixed with camphor, creme de cassis, licorice, and forest floor. Full-bodied, with terrific texture, sweet tannin, and fabulous length and concentration, this is a wine to drink young or cellar for 25 more years. These are very impressive wines.
