BUYING GUIDE

93 Vineyard 7&8 2008 7 Cabernet Sauvignon (Spring Mountain).

Another wonderful Cabernet from this fine winery, which manages to finesse Spring Mountain's notorious tannins. While it's diamond hard and dry, with a brittle minerality, it's extravagantly lush in blackberry, cherry, cassis and licorice fruit, accented with 95% new French oak. Lay it down for a good 6–8 years. *Cellar Selection.* —S.H.
